

The Fourth Presentation of Foundation-Assisted Research Findings Overseas

Chulalongkorn University, Thailand:

Date: January 15, 1996

Place: Conference Room, The Main Auditorium Chulalongkorn University

Theme: "Glass and Inorganic Materials"

Chulalongkorn University held its fourth seminar to publicize the results of Foundation-assisted research. Dr. Vanchai Sirichana, deputy permanent secretary of the Thai Ministry of University Affairs, delivered the opening address at the seminar. More than 70 participants attended the event, including university faculty and students, researchers, and members of the media.

- (1) Mr. Chakramon Phasukavanich, Deputy Secretary-General, Thai Board of Investment
Keynote Lecture: Investment Policies and Promotion of Glass and Ceramics Industries in Thailand
- (2) Dr. Pramote Dechaumpai, Associate Professor
Analysis and Design of Glass Windows for High-Rise Buildings Subjected to Heating, Cooling, and Wind Pressure
- (3) Dr. Reinhard Conradt
Study of the Local and Temporal Distribution of Temperature, Oxygen Activity, and Liquid-Phase Formation in a Melting Batch Blanket
- (4) Dr. Sirijutaratana Covavisaruch
Mechanical Properties and Fracture of Glass-Fiber-Reinforced Polymers
- (5) Dr. Suphot Phatanasri
Methanol Conversion to Light Olefins on Silicoaluminophosphate Catalysts
