

The Fifth Presentation of Foundation-Assisted Research Findings Overseas

Chulalongkorn University, Thailand:

Date: January 23, 1997

Place: Conference Room, The Main Auditorium Chulalongkorn University

Theme: "Chemical Engineering"

Chulalongkorn University held its fifth seminar to publicize the results of Foundation-assisted research. The opening address at the seminar was delivered by H.E. Montri Danphaiboon, the Thai Minister of University Affairs. Some 110 participants attended the event, including university faculty and students, researchers, and media representatives.

- (1) Dr. Pramote Chaiyavech, Advisor, Thailand's National Petrochemical Public Co., Ltd.
Keynote Lecture: Opportunities and Chemical Engineering Challenges in the Thai Petrochemical Industry
- (2) Prof. Dr. Wiwut Tanthapanichakoon
New Simplified Model to Predict Aerosol Collection Efficiency on a Dust-Loaded Fiber
- (3) Dr. Jirdsak Tscheikuna
Removal of Arsenic and Mercury Compounds from Natural Gas Condensate by Adsorption
- (4) Dr. Tharathon Mongkhonsi
Oxidative Dehydrogenation of Alkanes to Olefins
- (5) Dr. Deacha Chatsiriwechi
Metal Ion Separation by Liquid Membrane Technique
