

The Seventh Presentation of Foundation-Assisted Research Findings Overseas

Chulalongkorn University, Thailand:

Date: January 21, 1999

Place: Engineering Auditorium, Chulalongkorn University

Theme: "Agro-Industry Development in Thailand"

Chulalongkorn University held its seventh seminar to publicize the results of Foundation-assisted research. The seminar was attended by more than 50 students, researchers, and members of the press, and began with a report by Associate Professor Dr. Narong Yoothanom, dean of the Faculty of Engineering at the University. It was followed by the opening address by Associate Professor Dr. Wanchai Sirichana, permanent secretary of the Thai Ministry of University Affairs.
