

The Ninth Presentation of Foundation-Assisted Research Findings Overseas

Chulalongkorn University, Thailand:

Date: May 28, 2001 9:30~15:40

Place: Conference Room, 2nd Floor, The Main Auditorium
Chulalongkorn University

Theme: "Applied Information and Control Technologies"

The opening greeting by Dr. Tatchai Sumitra, president of Chulalongkorn University, was followed by salutations from Chairman Seya and H.E. Pichate Satirachaval, deputy minister of Industry. The presentation was attended by approximately 60 people from universities and companies in the Bangkok area as well as by Japanese nationals stationed in the country. The audience responded enthusiastically to the presentations and participated in a lively question period.
